Strengthens Commitment to Biodiversity

We are excited to announce our support for the Returning Sarus Cranes program at Tram Chim National Park! Starting in 2025, Vinh Hoan will contribute annually to the 10 years program to help restore the endangered Sarus Crane population. We're committed to protecting ecosystems, improving water management, and promoting sustainable agricultural practices in Dong Thap Province.

This is just one of the many ways we are working toward a more sustainable future for both wildlife and communities.
