# IR Newsletter 4/2014

[www.vinhhoan.com.vn](http://www.vinhhoan.com.vn)

*IR Newsletter is approved and issued by Vinh Hoan Corporation (VHC), targeting to provide VHC's existing shareholders and interested investors with recent news on VHC's corporate developments and activities and VHC's share capital information.*

## *Fish Products*

For the first four months of 2014, sales from fish products amounted to USD53.9 million, showing a slight YOY decrease of 2.5%. It was due to the shortage of raw material fish early 2014. VHC forecasts improvement of sales in the next quarter with the increasing availability of its own raw material and advantage of anti-dumping duty in the US.

## *Rice*

Rice sales began to pick up in April thanks to harvesting of winter-spring crops, sales in April alone was \$1.5 million, doubled that of 2013's. Four-month sales was \$2.9 million.

**VINH HOAN CORP.**

### ***About us:***

Established in 1997 and listed on HSX since 2007, VHC is a leading Pangasius processing and exporting companies in Vietnam, accounting for 9% of total Vietnam's Pangasius exports. The Company operates through a **vertically-integrated business model** from fish feed, fingerling production, fish farming, to processing and exporting Pangasius fillets and related by-products (fish oil, fish meal). From 2015, VHC will put into operation the collagen factory, a highly-added value product extracted from Pangasius fish skin in order to optimize chain value.
